Anticoagulant Citrate Dextrose USP Formula A 1000 mL **Backorder Notification**

Dear Valued Customer,

Fresenius Kabi Canada regrets to advise that we are currently not able to supply **Anticoagulant Citrate Dextrose USP Formula A 1000 mL** effective **November 19, 2025 until further notice**, due to unforeseen circumstances outside of our control.

DIN	Fresenius Kabi Product Code	Product Description	Non-availability Date
00788139	C4B7891X	Anticoagulant Citrate Dextrose USP Formula A 1000 mL	Nov 19, 2025

We recognize the difficulties and inconvenience that you may encounter as a result, and we thank you for your patience and understanding in this matter. Please be assured that we recognize the critical importance of this product to meet patient care needs at healthcare facilities across Canada. We are and will continue to give our utmost attention day-to-day to resolve this supply interruption as quickly as possible.

As we understand more about the situation, Fresenius Kabi will provide a further update in approximately 2 weeks. At present, we are not able to provide a timeline for re-availability.

If you have any questions or concerns, please do not hesitate to contact myself.

Sincerely,

Lucy Chen
Senior Marketing Manager, MedTech
Fresenius Kabi Canada
